Twinkle Classes

Stage Make-up - Children Age 2-6

Dancers, even young ones, wear makeup on stage in order to make their faces and expressions visible to the audience. Makeup can emphasize facial features that would otherwise be washed out by stage lights.

Follow these simple steps to create a perfect, stage-ready face.

Eyes– Use the “Pretty N Pink” 5 Color Pallet. Define eyes with the Burgundy Plum color in outer corner. Balance with medium Taupe shade just above crease across eye bone. Highlight with the light cream shimmer eye shadow onto the lid and under brow.

Cheeks– Apply the soft pink blush shade high on the cheek apples. On the cheekbones apply the soft cream shimmer Highlight to add dimension to the bone structure.

Lips–Applying a lip shade can be difficult as the lips are small and hard to apply color too. Use a Lip Brush to make the application easier. Use the long lasting Raspberry pink shade in compact and top with sparkle lip gloss to help lips shine and appear fuller.
